

Wasconian

1960

The
Wasconian
of 1960

Presented By
Wasco Union High School
Wasco, California

Dedication

To:

Mrs. Thelma Harrington

for tireless, gracious, and enthusiastic inspiration
to students and faculty of Wasco High School,
we dedicate this book.

Editor's Message

The school year is rapidly coming to a close and soon its experiences will be filed under "Memories."

Can we ever forget the excitement of the Wasco-Shafter football game (we won this year!), the smell of Chemistry lab, the agony of final weeks and then the grades, the joy of missing "that class" for an assembly, and detentions (more humiliating than anything else)?

Yes, along with gaining knowledge, we've had lots of fun and good times.

We on the Wasconian staff hope that you will be pleased with this year's edition. We also hope that as you look through its pages in the years ahead, you will recall again the "good old days" at Wasco High.

My special thanks go to:

Judy Neufeld, assistant editor, who has been a faithful co-worker.
Wasconian staff for much hard work and dependability.

Mr. Appel for supervision and encouragement.

Mr. Clement for contributions of art work.

Mr. Tom Shafer and Mr. Paul Groves and staff of the Wasco News for counseling and suggestions.

Mr. Ray Rexius for photography and patience.

Merchants of Wasco for generous support of the Wasconian and all school activities.

And to all of you who have shown the splendid spirit of co-operation that is typical of Wasco High.

Donna

Alma Mater

*And here we have Wasco High
Winning her way to fame
Orange and Black are her colors bright
And glory is in her name.
We'll go singing, singing of you
Ah, proudly too, all our lives through
We'll go singing, singing of you
Alma Mater, dear Wasco High!*

Principal's Message

Sincere congratulations to Editor Donna, her staff, and Mr. Appel for this excellent 1960 Wasconian. Our school year has been a busy and rewarding one, and it is well recorded in this book.

A word to our graduating seniors: In preparing this message I had occasion to glance through the Wasconian for 1957—the year that you were completing your freshman year at Wasco High. That there has been much physical growth and development is readily apparent.

But you have grown in another way, also. You have grown intellectually. You have made a good start toward understanding yourselves and the world in which you live. This type of growth is a lifelong process, and it is our earnest hope that you will continue to build upon the good beginning that you have made here.

May every happiness be your lot.

Robert S. Maxwell

Robert S. Maxwell
Principal

Superintendent's Message

It is with pride and gratitude that we note the extent to which our students are interested in getting a good education. Both the scholarship record for the past year and the list of accomplishments in the realm of student activities indicate good development on the part of our young people. We congratulate our Wasconian Staff and Advisor for the fine record that they have given us of the year's events and accomplishments.

Magna Cum Laude

Each year Magna Cum Laude is awarded to two graduating seniors, one boy and one girl, for their outstanding scholastic achievement during their four year career at Wasco High School. The graduating class of 1959 awarded the highest honor to three seniors—Karen Morris, Kenneth Gaede, and Harold Frantz.

Boys' and Girls' State

Girls' and Boys' State is a young peoples' project sponsored by the American Legion designed to give exceptional students the opportunity to learn California government first hand. High School juniors are chosen on the basis of leadership qualities and scholarship to attend the one week sessions. Boys' State is held at the Sacramento Fair Grounds, and Girls' State is held at the University of California, Davis Campus. Boys and girls are divided into various cities and counties, and put in one of two political parties. Officials are elected and appointed just as they would be in actual California government. The highlight of the week is the installation of the governor and other state officials.

Wasco girl delegates are sent by the Women's Auxiliary of the American Legion, and boy delegates are sent by the Wasco American Legion, and the Wasco Exchange Club.

SUSAN LINDGREN

PHILLIP SIEMENS

Junior Plaque

Awarded to a junior boy and girl for outstanding scholarship, the Junior Plaque was given, in 1959, to Susan Lindgren and Phillip Siemens, Class of '60.

Snow Ball

On the evening of February 6, one may have thought he was in "Winter Wonderland," for this was the theme of Wasco High's annual Snowball. Visitors entered the gym by a blue wall which was sprinkled with snowflakes; this gave a wintry effect and was also a partition separating the band from the entrance. The ice throne, on which the queen was seated, was surrounded with glittered white tumble weeds and Christmas trees. For the last touch of perfection, blue lights were placed in the fixtures above and tables were supplied with candles.

The Skyliners were chosen to supply the music for this beautiful and successful event.

Daisy Dayton	Patricia Wallace
Kenneth Plunkett	James Willingham, Jr.

Friday, December 4, the Senior Class presented an excellent play, "Mr. Barry's Etchings," under the direction of Mr. Lawrence Mendenhall.

"Mr. Barry's Etchings" is the Broadway comedy hit about a wacky but well-intentioned genius named Jud Barry who has some very nice hobbies—plus one, engraving, that almost lands him in Alcatraz. Mr. Barry's talents as an expert engraver led to his imitating the artistry of the Treasury Department in engraving fifty-dollar bills.

There is plenty of comic confusion when both T-men and gangsters arrive on the scene in the guise of Life Magazine reporters.

Junior Play

"What a Life"

Presented by the Juniors

The patience and talent of the Junior Class along with the expert direction of Mr. Mendenhall paid off this year in an excellent presentation of "What a Life," this year's Junior Play.

The play dealt with the troubles of a 16-year-old, troubles which are characteristic of that age. Because of their peculiarity, they were very humorous to the audience. The victim of all the confusion was the popular radio personality, Henry Aldrich, played by Ricky Pitts.

In spite of all the problems he encountered, everything turned in favor of Henry in the end.

SENIORS

*The Senior Class
of
Wasco Union High School
Announces its
Commencement Exercises
Friday evening, May twenty-seventh
Nineteen hundred and sixty
at eight o'clock
High School Auditorium*

When the class of 1960, the largest freshman class ever, entered Wasco High in the fall of 1956, they were willing to work and to learn. Since that time, the class has become one of the outstanding classes in Wasco High's history, producing outstanding leaders, scholars and athletes.

The Frosh began their work by electing the following officers: presidents, Carolyn Ellis and Lowell Woodman; vice presidents, Sally Berghold and Susan Lindgren; secretaries, Janice Moore and Karin Nickel; treasurers, Steve Janzen and Donna Shafer. During the course of the year, the Frosh sold at two basketball games, won a rally contest, sponsored a gym party with the Sophomores and finally served at the senior breakfast.

As Sophomores, the Class of '60, a year wiser, planned a full schedule. In addition to participating in many school functions, the class chose their class rings and served at the Junior-Senior banquet—the highlight of the year. The following officers were elected to represent the Sophomore class: presidents, Kathy Betts and Patsy Hicks; vice presidents, Yvonne Smith and Brenda Redenbaugh; secretaries, Karin Nickel and Marcia Thomas; treasurers, Carolyn Ellis and Keith Lively.

The class began the Junior year as full fledged upper classmen, as denoted by their new class rings. This year they elected as presidents, Wesley Selvidge and Bernie Harris; vice presidents, Donna Shafer and Bill Tracy; secretaries, Mignon Carpenter and Joann Martin; treasurers, John Bergen and Donna Shafer. Besides the usual class activities, the Juniors presented the three act comedy entitled "Henrietta the VIII." The spotlight shone again on the class the night of the Junior-Senior banquet. The elaborate decorations following an "Evening in Paris" theme, a delicious meal, and an entertaining program—all were done in honor of the Seniors by the Juniors. When the year came to a close, awards were given to these outstanding Juniors: Susan Lindgren and Phillip Siemens, who received Junior Plaques; Susan Lindgren, Lowell Woodman and Phillip Siemens, who were chosen to represent Wasco at Girls' and Boys' State.

Mighty Seniors at long last! During their final year, pictures were taken, robes were measured, announcements were chosen, college plans were made, and the Senior Play, "Mr. Barry's Etchings," a splendid success, was given. Scholastically, nine Seniors were given Bank of America Achievement awards, and Phillip Siemens, Edward Tindle, Susan Lindgren and Linda Keeling earned life memberships in the California Scholarship Federation. With the close of their last year, the Seniors held their traditional ditch day, assembly and breakfast. On May 27, 1960, commencement was held as the Seniors bade farewell to their Alma Mater, Wasco Union High School.

Freshmen, Sophomores, Juniors

Freshman Class

The Freshman Class of 1960 was one of the largest classes ever to tread the beautiful campus of Wasco High. Although we outnumbered several of the other classes, we still were the proud but lowly school neophytes.

After struggling a few weeks in our new surroundings, we gradually became accustomed to all the changes. With the help of our advisors, Mrs. Jacobsen, Mrs. Hammer, Mr. Cutner, and Mr. Parrott, we soon became acquainted with the rules and regulations set up to provide an organized system.

After we were somewhat settled, we began to enter into a few of the school functions. Among these were the football and basketball rallies. Much to our surprise, at the end of each of these seasons, we found ourselves in third place.

There was also the inter-class track meet, but we did not fare as well in this activity. Coming in fourth place, we once more bowed our heads to our upperclassmen.

In the political realm, we elected delegates from the orientation classes as well as class officers to represent us on the Student Council.

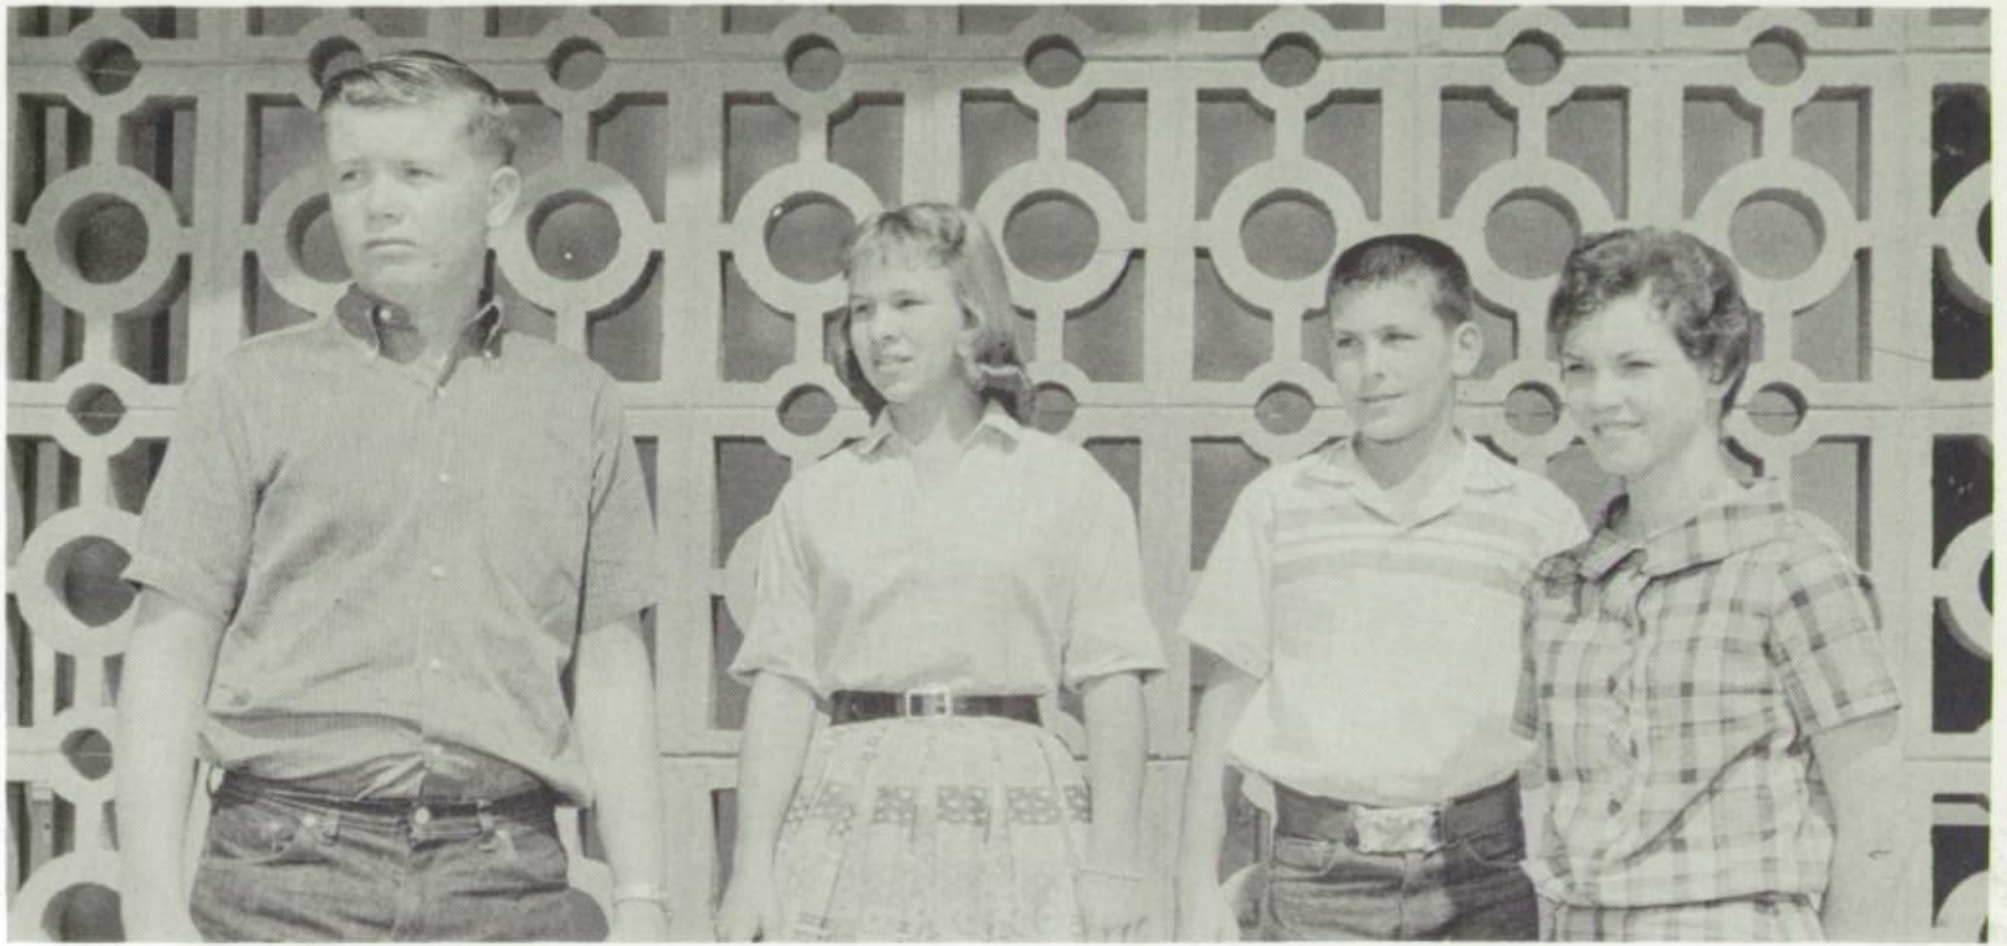

Now as this sequence of events draws to a close, we realize that our experience as Freshmen has only been the beginning of our wonderful and experience filled years.

Sophomore Class

The Sophomores had an exceptionally successful year.

Of course, the selection of class rings was the high-point of this year, just as it is in every Sophomore year.

Our school spirit was at its peak. We not only won first place in the interclass track meet but achieved first in the rally score.

Other Sophomore activities were selling at football games, taking an active part in the Student Body with two of our girls being Song Leaders, and serving at the Junior Senior Banquet.

With such a record to look back on, we have an incentive to surpass ourselves next year as Juniors.

Junior Class

Taking a back seat only to the Seniors, the mighty Juniors were kept busy with an eventful and successful year. When their class rings arrived early in the fall, the Juniors were officially proclaimed UPPERCLASSMEN. They ventured into the field of dramatics, and the result was the very successful production "What a Life." Aided by Junior mothers and Sophomore servers, the Juniors entertained the Seniors with a very enjoyable evening at the Junior-Senior Banquet.

The Juniors also prepared for the more serious things in life. They dutifully indulged in their studies, preparing for that commemorative day when they would be SENIORS.

Queen Phillis Cameron was acclaimed by the student body and crowned at the annual bonfire rally on the eve of the "big game" between Wasco and Shafter. Bill Allen, "W" Club president, presented the queen with a trophy from the "W" Club and many lovely gifts donated by the merchants of Wasco.

Winning Class

Sophomores

Each year at Wasco High, Pep Rallies are held at noon during football and basketball seasons. Here, competition mounts between each of the four classes as each tries to out-yell the others. The winner at the end of all rallies gets a free picture in the annual. This year, for the first time, yelling counted only 50 per cent; the remaining percentage was based on attendance.

Standings at the end of the 1959-1960 school year were as follows:

Sophomores took the other three classes with 30 points while very close behind were the Juniors with 29 points. Freshmen followed with 25 points and the mighty Seniors trailed disgracefully with only 16 points all year.

With more boys participating, cross-country is growing in popularity every year. This year there were 31 boys out for the sport. The team came to a special climax this season as the top six runners participated in carrying the Olympic torch.

Bob Miller ranked at top runner for the varsity team followed by Jerry Aronson, Arnold Borjon, and Ralph Zuniga. Jerry Aronson was chosen most valuable runner because of his dependability and talent, while Ralph Zuniga and Bill Tracy were chosen as co-captains by their teammates. The Freshman-Sophomore team was led to victory by John Holguin, John Prueitt and Ed Wann, with Charles Sutton and Robert Gonzales heading the Junior Varsity team. With these teams working together, Wasco High broke the tape for a first place position in the valley small schools division.

To top the season with a perfect ending, six of the best Wasco cross-country runners were chosen to run the Olympic Torch. Jerry Aronson, John Prueitt, Bob Miller, Charles Sutton, Bill Tracy and Ed Wann each carried it a mile on its journey to Squaw Valley.

Track

Wasco High School's track team, this past year, has been a most outstanding one. Being an Olympic year, the track team was inspired to perform beyond their normal capacities.

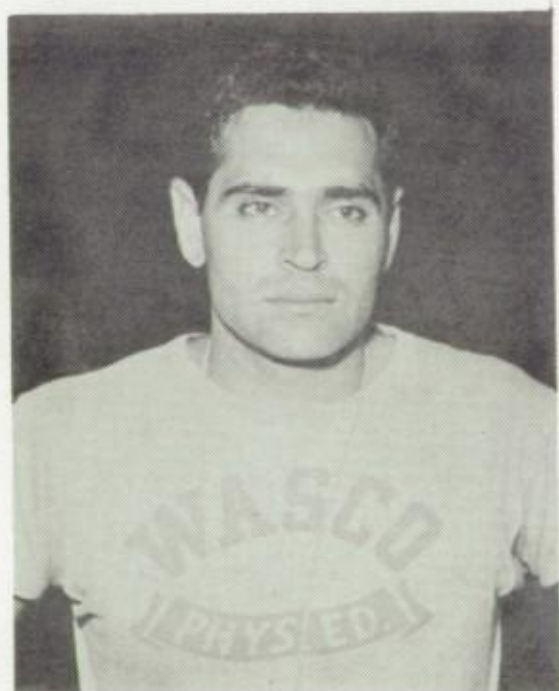

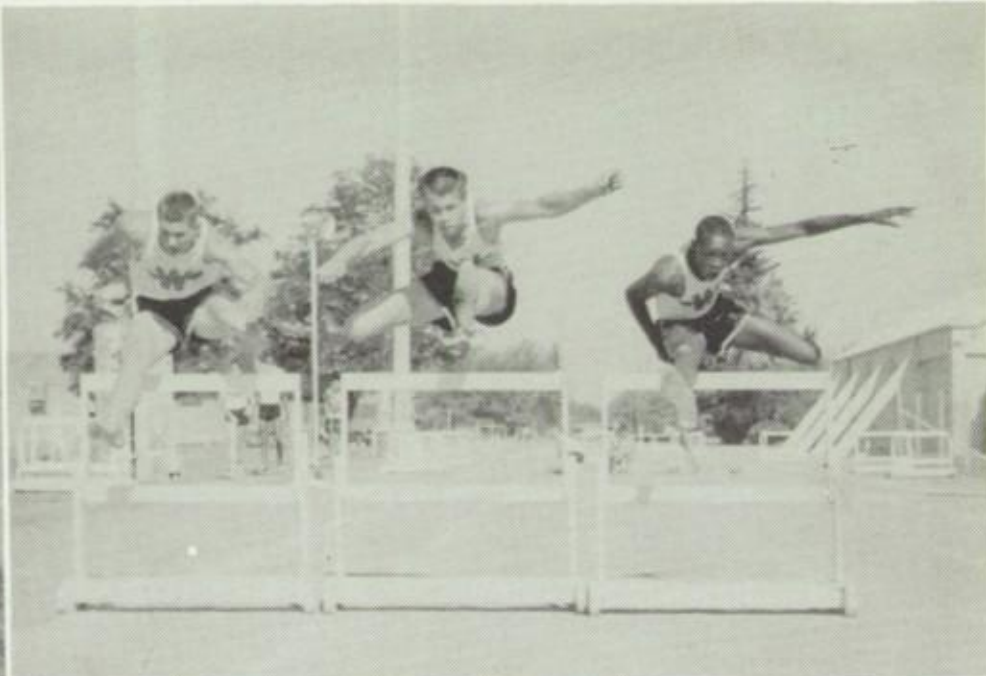

To prove this, the varsity team, led by sprinters Lowell Woodman and Leo Coleman, broad jumper Harold Gaston, 440 man Steve Janzen, weight men Paul Trammell and Bill Gray, discus thrower Keith Lively, and all around performer Phil Siemens, went on to win the largest number of dual and triangular meets since the last several years. They beat such track powers as Taft and North High of the Yosemite Division. They won the 7th annual Wasco 20-30 Club Relay Carnival, consisting of 25 schools, by an overwhelming majority; Wasco had 81 points to the nearest rival, Reedley, who had 38. They also won the Tulare 20-30 Relays by virtue of the 880 yard relay, where Lowell Woodman ran a tremendously fast anchor leg; he was timed at 21.5 for the 220, which is the fastest time in the valley by .2 of a second.

Leading the class "B" team to an outstanding year was Paul Floyd, who broke the school record in the shot put with a put of 53'4½", and the school discus record with a throw of 137'4". Another leader was Allen Garrison who tied the school record in the 100 yard dash with a time of 10.1. There were also many outstanding freshmen and sophomore distance men in "B" Class.

The "C" team was led by the league's best 660 runner, John Prueitt, who has been improving rapidly. Eddie Johnson, Sammie Hanes, Bill Lewis, John Butler, John Boydston, Wayne Allen, and Eddie Gonzalas were other outstanding athletes for the "C" class.

Row 1: H. Gaston, W. Selvidge, F. Patrick, L. Frey, D. Boyett, A. Garrison, B. Tracy, C. Stevens, L. Woodman, P. Siemens, K. Lively. Row 2: D. Green, B. Miller, J. Hillblom, S. Janzen, H. Penner, J. Organizations

Spanish Club

MR. PARROTT, Advisor

One of the more active clubs on our campus is the Spanish Club which is advised by Mr. Parrott.

All year the Spanish Club sold refreshments to the students during activity period. With the profits, they sponsored many activities.

Before Christmas, they held their annual Christmas pinata party, which met with its usual success.

The Spanish Club was also one of the three clubs to donate to the school two tables which are used by students who bring their lunch.

This summer some of the Spanish Club members are going to Mexico for a two weeks summer school. The Spanish Club is going to donate at least \$25 to Spanish Club members who go on the tour. The club also gave a scholarship to one Spanish student, which will pay all expenses on the trip for this student. Considering everything, the Spanish Club is one of the most active clubs on the campus.

Latin Club

This year's Latin Club boasted of numerous activities. In November they held a Thanksgiving party where they gathered food and money in Romanistic style which was later donated to various needy families throughout Wasco.

Before Christmas they held a Christmas party where David Schießer and Marilyn Bauer were elected as king and queen according to Roman tradition.

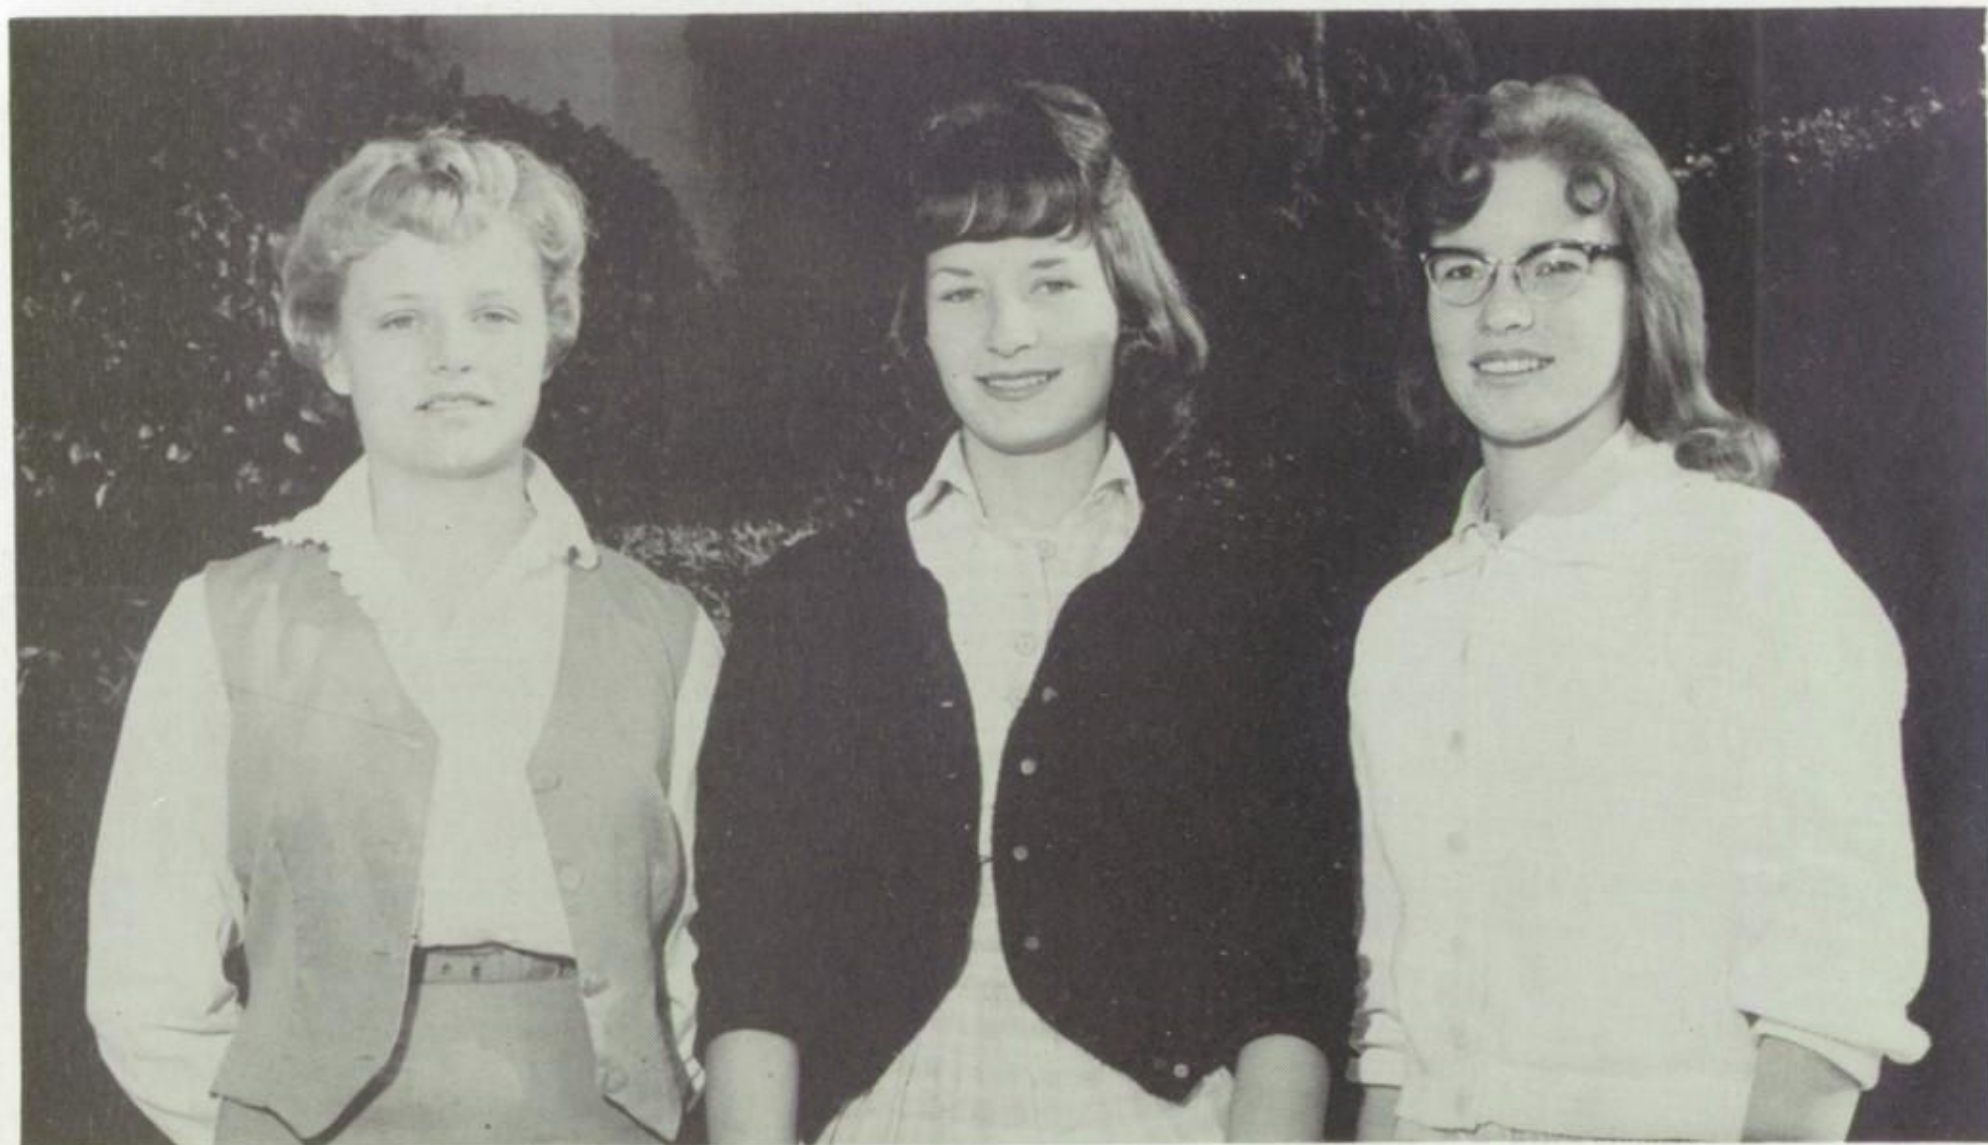

The beginning Latin students worked hard to finish their projects—dolls and posters. Miss Hordeman was proud of her dolls made as the Romans would have made them. One class of second year students painted a mural entitled "Julius Caesar's World" and the other class built a miniature Forum.

Orchestra

The Orchestra Club is composed of students who are taking orchestra or who have taken it. Their activities included an initiation party at the beginning of the year and selling at a basketball game.

The Orchestra itself participated in the Music Festival and received a rating of Superior. They also played at the annual Christmas assembly, before both the Junior and Senior Plays, and on a KWSO Radio "Know Your Schools" broadcast.

BAND

This year was very successful for the Wasco High Band. In addition to marching in various parades, entertaining at football games, and presenting an enjoyable spring concert, they were rated Superior at the Band Festival in Bakersfield, and received first place in their class at the Long Beach All Western Band Revue. Congratulations to each member, and especially to Mr. Manning, who gave so much help and inspiration.

'W' Club

An outstanding year for the "W" Club, was the 1959-60 season.

Under the leadership of President Bill Allen the club sponsored several outstanding events. Foremost among these were the football queen contest and the Harlem Clowns basketball game. Proceeds from this game were used to purchase picnic tables that the "W" Club donated to the student body.

The "W" Club has taken great pride in their work this year and look forward to serving Wasco Union High School in years to come.

MISS YOST, MISS WALKER, Advisors.

The purpose of the FHA is to care for the social and business activities of the Future Homemakers of America. Under the guidance of Miss Walker and Miss Yost, the club has strived to have activities which are interesting and fun for all the members.

Our first activity was the induction of new members. Representatives were sent to the state meet at Asilomar, and the section meet at Fresno. We also served at the football and FFA banquets. One of our money making projects was a punch and do-nut sale. To prove that we were not trying to have all work and no play, we gave a get-acquainted party for the Shafter FHA. We also had Crystal Kettelsen, a student from Germany, as speaker at some of our meetings.

During FHA Week, we had a tea for all club members. We prepared a snack for the teachers, secretaries, and maintenance people. We also passed out candy with the message "A sweet hello to you from FHA," to the student body.

Row 1: S. West, S. Lacey, G. Hager, R. Kelley, P. Headspeth, H. Chernabaeff, S. Osborn, L. Jameson, C. Whitworth, J. Tiger. Row 2: S. Green, S. Caldwell, Y. Woods, A. Duerksen, D. Payne, D. Usery, B. Munnerlyn, G. Broom, D. Mouser, B. Stinnett. Row 3: J. Otten, L. Dollar, P. Holterman, D. Horn, J. Burch, J. Wood, L. Parks, N. Hankins. Row 4: J. Davis, L. Smith, B. Tackett, J. Woodard, C. Hinton, J. Moseley, M. McCallum, S. Akins. Row 5: S. Sill, B. Taylor, B. Peterson, B. Bauer, A. Riggins, J. Grant. Row 6: L. Massey, C. Sill, S. Willis, N. Doyle.

FFA

Mike Hankins, student body president, first semester, 1958-59, and FFA chapter president, second semester of that year, was elected at the California State FFA convention as sentinel of the State FFA. He was the first Wasco FFA member to be named to a state office since 1935. At the same time, Harley Barling, Jr. was elected regional treasurer of the FFA, and Kirke Howard was elected as president of the Kern County Section, FFA.

During the summer, the FFA officers attended an officers training camp at Avila on the coast, during which they planned the years activities.

Wasco Chapter, FFA was host to a group of 125 people on July 11, including 34 visitors from Torreon, Mexico, at a barbecue dinner and trip through the agricultural department and school farm. Some of the boys' project animals were brought in for inspection of the visitors. The group was sponsored by the Kern County Farm Bureau.

At the State Fair Wasco FFA had the grand champion steer, shown by Norman Schaad, class of 1959, and won the purple ribbon in farm mechanics sweepstakes over competition from 19 schools exhibiting. This marked the twelfth time the Wasco exhibitors have won the coveted award in the last 13 years.

Wasco Future Farmers won two trophies at the 1959 Kern County Fair, one for the most attractive and best groomed exhibit, and one for the best 10 market hogs. The boys winning the latter trophy were Jimmy Earnest, Wayne Harris, Al Craig, Ronnie Lynch, Jerry Serjeant, Grayson Atchison, and James Johnson. The chapter had the reserve grand champion carload of fat steers, being excelled by Wasson and Emerson cattle fed by Albert Streiff. This marked the first time a carload from the Wasco chapter selected by Paul D. Spilsbury and fed by a member of the Streiff family had placed less than the grand championship in the carload class. Wasco people gave wonderful support to the auction sale of the fat animals sold by Wasco Junior exhibitors. Mike Hankins received the highest price of any Wasco Future Farmer.

The Wasco chapter sponsored a successful bean feed and officers training school for the Future Farmer officers of the different FFA chapters in Kern County during the month of October.

The largest and most successful dance of the school year, sponsored by the Wasco Chapter for the Kern Section FFA, was held in the cafeteria with music furnished by Rick Lee and his Knight Beats. Brenda Ballard of Shafter was elected sectional FFA queen.

At the Great Western Livestock Show, the Wasco Chapter carload placed reserve grand champion in a class of nineteen carloads, and excelled the load which had beaten it at the Kern County Fair, but lost to Cal Poly, for the championship. A group of Wasco FFA boys exhibited their animals and gave talks concerning them to a group of fifteen hundred Los Angeles city school children who attended the Great Western.

The Wasco Chapter received a great honor when Wesley Selvidge and Kirke Howard were elected student body presidents for the first and second semester respectively.

Wes Selvidge attended the National convention of the Future Farmers at Kansas City. The trip included a journey down the Columbia River on the return. Wes later gave an interesting report of his trip before the Annual Parents and Friends Banquet. His trip was sponsored by the Wasco Chapter.

The annual assembly program was featured by a color film starring Sterling Joe Grant, an FFA freshman, and drew an approving round of applause from the student body. A group under the leadership of Harold Gaston gave several vocal selections.

Wes Selvidge did a tip-top job as master of ceremonies at the 21st annual FFA parents and friends banquet, at which he received the California Bankers Award as the outstanding Wasco FFA member based on scholarship, leadership and citizenship. The award was presented by Ed Beckman, Manager of the Security First National Bank of Wasco. C. J. Howard and son, Kirke, were named as the winners of the Arthur W. Breakiron trophy as the best father and son combination for the year. Jerry Serjeant was selected as star greenhand, the first degree of the FFA chapter. Bill Simpson, senior, won the FFA foundation award for the best record in farm mechanics classwork. Wes Selvidge, Jerry Lequieu and Paul Evans were presented the gold charms of the State Farmer degree. Benny McLeod, past chapter president, C. J. Howard and Carl Hartzell were presented honorary memberships and pins which signify such membership.

Alex Chernabaeff, a graduate of the agriculture department, was named the junior citizen of the year for his outstanding work and support of the little league baseball teams. Mrs. Reta O. Fry was named as senior citizen of the year for her fine work as secretary-manager of the Wasco Chamber of Commerce and Agriculture.

Rickie Jacobsen, FFA Sophomore, was selected as Star Farmer of the chapter based on his projects and with this selection his mother, Mrs. Ruth Jacobsen, was named FFA Mother of the Year. She was presented an orchid corsage by her son, and a wool blanket gift from the Wasco Chapter, FFA.
